

BDO Payment Portal Login Process

1. Navigate to www.bdo.com/client-center/payments in either Chrome or Internet Explorer.

Welcome to the new online payment portal.

Providing you with an exceptional client experience is our No. 1 priority — and this goes beyond the work we deliver to your organization. At BDO, we are pleased to offer clients the ability to pay invoices via credit card or ACH. Through the online payment portal, BDO offers a fast, secure, and convenient way to pay invoices 24 hours a day, 7 days a week.

The new system boasts several benefits for clients, including:

- View current account balance
- View PDF copies of invoices
- Make payments via ACH or credit card
- Store credit card or bank information for future use
- Schedule recurring payments

3. You will be re-directed to the BDO payment portal login page. If you have previously registered, enter your email address and password and proceed with logging in. You will be prompted to enter a one-time authorization code that will be delivered via email from no-reply@radiusone.com.

The screenshot shows a login page with a light gray background. On the left, there is a large blue square containing the text "Login to view and pay your BDO invoices." in white. On the right, the word "Login" is displayed in a large, dark gray font. Below this, there are two white input fields: the first is labeled "Email" and the second is labeled "Password". Underneath the password field is a checkbox labeled "Remember Username". A red button with the text "Login" in white is centered below the input fields. Below the button, there are two links in blue text: "Not enrolled? Sign up now." and "Forgot your password?". At the bottom of the page, there is a dark gray footer containing the text "Click here for assistance with logging in" and "The following browser versions are currently supported: Chrome versions 42 to 52, Internet Explorer 11".

4. If you have previously registered but forgot your password, utilize the “Forgot your password” link to begin the password reset process.
